

# The Moore The Merrier 2014

## **Join The Moore The Merrier for the 2014 flat season which ends in November 2014**

A brilliant opportunity exists to join the successful Syndicate for the 2014 flat Season. The Moore the Merrier enjoyed a fantastic 2013 season with the horse they owned; Far Gaze. What a thrilling time was had by this year's members as he took them for days out with the heady excitement of both Ascot and Epsom on Derby Day! A super genuine horse he won at the third time of asking after finishing 3<sup>rd</sup> on his first run and 2<sup>nd</sup> on his second outing. In total he won and was placed 3 times including at Ascot on his last run where he was beaten in a photo finish and whereby in fact finished only once out of the first 3 in all his runs. He was sold to race overseas leaving the members with a nice sum to put towards this year's exciting prospect.

Stan has been busy already and our first crop of yearlings are in and from them we have chosen a lovely strong looking colt, by Bushranger who himself was a champion two year old sprinter. He is a very early foal born on 20<sup>th</sup> January which we hope will mean he is a precocious early type. The sire had his first crop of two year olds this year and they have done very well. He is a half brother to three winners and has a great page. He is a super looking horse and has got a great walk on him which is something you would like to see in your yearlings. Take a look at the photo of him, there is plenty to like we are sure you will agree.

After discussions with this year's members we have decided to again to run the syndicate with the members actually owning shares in the horse, not leasing as we have done in the past. As last year this will be limited to 20 shares only and will be sold on a first come first served basis. From feedback from last year's members it was suggested that we could perhaps buy this year a more valuable yearling with a view to having an equally if not better season than last year.

Because of this and to cover the expense the cost per share this year has increased to £1500 plus VAT this is a one off payment and will cover your share of his training fees for the 2014 season and yes you.... The Syndicate **will actually OWN a share of this racehorse**. As a member of the 'Moore the Merrier' 2014 syndicate you will experience the thrills of racehorse ownership for a full season. This includes race entry fees for maiden auctions, entries made thereafter will be taken from any prize money as would transportation costs for racing overseas. Apart from that there will be no hidden charges, just a great season to look forward to. Any prize money won will be paid out at the end of the season and be divided equally per share. Remember unlike many other syndicates this is the only payment you will make to cover your training fees for the 2014 season.

We are really looking forward to an exciting season for the syndicate this year. As members you will have the opportunity to come to the yard to see the horse on the gallops at exercise and will be kept regularly updated on the horse's progress this year that will include him being broken in as well as entries, declarations etc. Members will also have the opportunity to put forward name suggestions for him and one of those will be picked at random when the time comes to get him named.

Enjoy the excitement of race-days and see your horse run (badge allocation will be on a first come basis if demand exceeds the allocation) – an opportunity to enjoy the thrill of racehorse ownership at a fraction of the cost.

As stated all Inclusive cost of £1500 plus VAT for the summer term and this year, the membership will be limited to 20 shares.
